

Parking Information

If you are registering for the Fair on the Green there are several parking options.

Mary Taylor Memorial United Methodist Church reserves 40 parking spaces for the 2 days of the fair, which are available upon request on a first come, first serve basis.

If this is not convenient for you, or if you have missed the opportunity to reserve one of the 40 spots, several local businesses offer free parking on a limited basis. Information on this parking will be available on the Friday morning of the Fair at the registration desk.

Further, there is public parking available behind the Milford Public Library just beyond the east end of the Milford Green.
